Expression is a stunning new range of premium value two storey homes designed with you and your lifestyle in mind.

We understand the demands of modern family life, and have considered this on every level. Throughout each of these beautiful homes, you'll find more of the things that matter. Like highly functional design, superior standard inclusions and the very best in construction methods, materials and trades.

Built to last a lifetime, a home from this range is not just an expression of who you and your family are today, but who you'll become tomorrow.
